ACTIVITIES FOR WEEK OF 27 JUNE - 1 JULY

FOR:
Executive Officer, NIC

25X1

FROM: NIO/AL - Heymann and Low

NIO/AL (Hans Heymann) briefed Senate Select Committee (SSCI) staffer, Charles (Chip) Andreae on the intelligence performance on the chemical warfare issue. (Andreae is heading a SSCI working group formed to review the entire intelligence process on the "Yellow Rain" issue.)

NIO/AL (David Low) accompanied by A/NIO/AL attended the IG Sub-group Meeting at the State Department on nuclear exports, and paid courtesy calls on State INR and policy officials to discuss the nuclear intelligence production program; met with the IC Staff and the Future Information Requirements Working Group of the Intelligence Producers Council (IPC) concerning long-range planning for the intelligence community; and continued work on the Latin American estimates for the Director.

25X1

A/NIO/AL briefed Legal Counsel Mike O'Niel, House Permanent Select Committee on Intelligence (HPSCI), on nuclear test preparations in India.
